From Downtown Bellagio to the Bellagio Center (Via Garibaldi, 8 – 22021 Bellagio CO)

Once you are in town, at the ferry boat area, you are forced to turn right on the side of a parking lot, and drive through the entrance of a public garden/park and keep on driving uphill for a couple of switchbacks until you get to the top of the park and face a wall. Turn left.

Since this is the entrance of a Limited Traffic Area, be sure to provide your license plate to the Bellagio Conference Coordinator at your arrival. Otherwise, you may risk getting a fine from the Municipality.

Less than one block away from this point, you will see a paved semi-circular small opening to your right, in front of a "Pasticceria".

Make a "U" turn towards your right to enter the property.

Please announce yourself ringing the bell, so the staff could open the gate and give you direction. Once you get in the gates will close automatically.

Then follow the signs up the hill to your destination building: Frati, Sfondrata, Villa, or Maranese.
